

SON OF A SAINT

INSPIRING MENTORSHIP AND TRANSFORMING
THE LIVES OF FATHERLESS BOYS

Logic Model

The Son of a Saint model is holistic and responsive, founded on an enduring mentee-mentor relationship. We support every facet of boys' lives with programming that meets boys where they are based on specific needs and circumstances. The result is a formula for success tailored to each boy.

Son of a Saint's Logic Model demonstrates how each element of our program leads to specific outcomes – and ultimately to a successful and healthy adult life.
