

SON OF A SAINT Annual Gala

Son of a Saint Annual Gala COVID-19 Safety Protocol

In accordance with The City of New Orleans' COVID-19 event safety policy, effective since Aug. 16, 2021, Son of a Saint will require proof of vaccination or a negative PCR test to gain entry into its 2021 Gala at The Ritz-Carlton New Orleans. This protocol is established to ensure the health and safety of all gala guests and will remain in effect during the event. Effective Friday, Oct. 29, 2021, the City of New Orleans suspended its mask mandate for most public spaces.

Additionally, please be aware that all guests of The Ritz-Carlton New Orleans, 12 years of age and older, must provide proof of at least one dose of an approved COVID vaccine or negative PCR test within 72 hours to access M Bistro, the Davenport Lounge, The Club Lounge, Fitness Center, and banquet events.

To prove vaccination status, individuals can use the LA Wallet app; an original, digital photograph, or photocopy of CDC vaccination cards (both sides); or an official vaccine record issued by another state, foreign nation or the World Health Organization. To see the full guidelines, please visit ready.nola.gov/restrictions.

Son of a Saint Gala guests also have the option to submit their proof of vaccination in advance of the event via email, providing a copy of the approved status records to James.Filtz@ritzcarlton.com.

For any other questions or more information regarding this event safety policy, please email gala@sonofasaint.org.

We look forward to hosting this signature event on Thursday, Dec. 9, and welcome your attendance. Thank you for your cooperation and your support!
