

SON OF A SAINT

THE PROBLEM

Systemic barriers chronically deprive fatherless young men of the economic, health, and education resources needed for them to thrive. The resulting outcomes cannot be ignored.

PUSHED TO PRISON

232% INCREASE

The cost of keeping one youth in confinement has increased an alarming 232%, up from \$46,662 in 2014.

\$155,000 PER YEAR

In Louisiana, the cost to keep one youth incarcerated is approximately \$155,000 per year.

(Justice Policy Institute, 2020).

WHEN REJOINING SOCIETY

LACK PREPARATION

When a young man is sent to prison for years, he rejoins society as an adult who lacks preparation to:

- Get a job
- Pay taxes
- Raise a family
- Community involvement

DISEMPOWERED CITIZEN

A young man who enters prison will become a disempowered citizen. He may be on the public's payroll for the rest of his life.

A GENERATIONAL CYCLE

He may not be a present father in his children's lives. The cycle will continue and grow exponentially with each generation.

SON OF A SAINT

OUR IMPACT

Without consistent, long-term, multi-dimensional support systemic barriers, including lack of a father figure, poverty, childhood trauma, inequitable education, housing instability, structural racism, and neighborhood violence are nearly impossible to overcome.

CONSISTENT, LONG-TERM, MULTI-DIMENSIONAL SUPPORT

EARLY PREVENTION

Son of a Saint focuses on early prevention with guidance, positive encouragement, and high expectations.

CELEBRATE INDIVIDUALITY

We engage mentees as active participants in their own development by emphasizing each youth's strengths, cultivating trust, and fostering positive relationships. We encourage and celebrate individuality.
